

Community Map of Religious Organizations

As part of the www.takemetoworship.org website, we plan to publish an interactive searchable map of religious organizations in Erie County. We have compiled our list of more than 350 religious organizations using public sources such as the phone book and the internet. By default, all organizations we could find are listed. If you would like your organization removed from the map, please contact us at info@takemetoworship.org.

Please take a moment to go to our website, click on **Find Worship Locations**, look up your organization and make sure it is listed correctly on the map.
